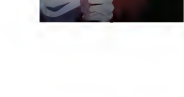
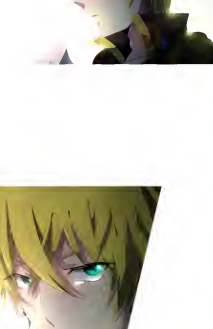
Sssss...

!
Shing!



Hmmmm~



He is leaving... footprints...

Isn't it weird?

... I clearly saw him going in this direction...

There was no footprints at that time

Was he floating or something ? It really is strange

... So this person...

And when did this person come here?

Urgh, not only he missed broke my arm

he also just left without an apology...?

Oh, so... First

... Thank you ... For returning it

... And... this...

... This...

... I'm sorry...

Ah

...Uh, no... It...

. It's.. okay

Flustered for being apologized to

Embarrassed from apologizing

Then... Okay

Then this way

LITS!

A, it's a dead end this way

.....

Then this way

Ah, it's a dead end that way too

Er

SWEAT

SWEAT

.....

SU LI

Do you

know this route well?

Eh... This area? Mom or Icon.

Excellent

Follow me

Extremely WORRYING!!!

Psh... Well,

It can't be helped now that I'm caught

I don't know what but you aren't caught with anything!!!

Good. In this situation

You will participate in this operation, Mary

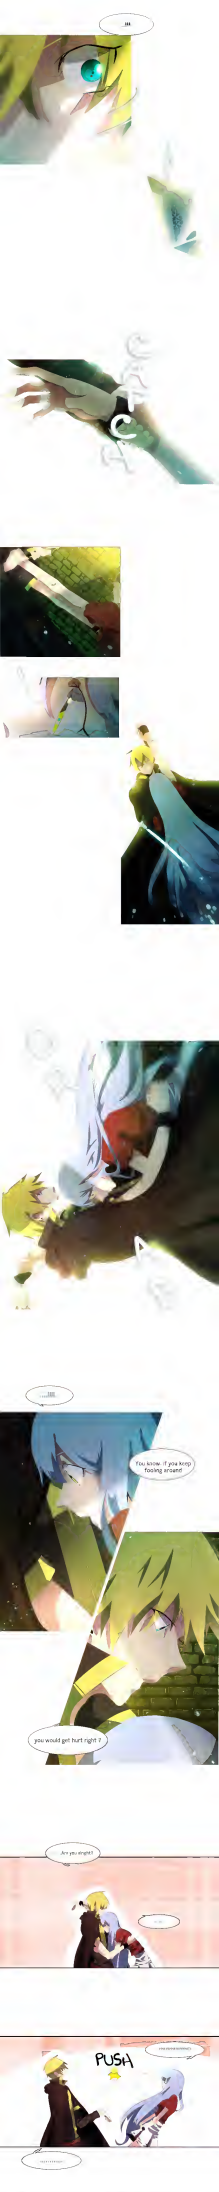
You ain't my king-sensei Brenda-chan!, don't you go up a random name for me!!!

Okay. If you're done talking, let's go

I can't you listen to what a person is saying!!!

How can you put it...

pass...



...Hi.
You know. If you keep fooling around
...Hiii.
you would get hurt right ?
Are you alright?
